

Privacy and Security Policy

Last Update: July 15, 2023

Kuasar Video A. Ş. ("Company") values the security of your personal data. Your personal data is processed, stored, and protected in accordance with the fundamental principles and data processing conditions stipulated in Law No. 6698 on the Protection of Personal Data ("KVKK"). To this end, we would like to inform you that we take all necessary technical and administrative measures to protect personal data.

Data Controller

Kuasar Video A. Ş. processes your personal data as the "Data Controller" defined in Article 3 of the KVKK.

Processing Purposes

Your collected personal data may be processed for the following purposes based on your explicit consent, in compliance with the personal data processing conditions specified in Articles 5 and 6 of Law No. 6698 on the Protection of Personal Data:

- Creating user memberships on our website kuasarvideo.com and managing them through information provided in the membership creation or contact section.
- Handling requests and complaints.
- Improving the user experience (including improvement and personalization).
- Ensuring the security of the data subject.
- Detecting fraudulent or unauthorized uses.
- Conducting operational assessment investigations.
- Rectifying errors related to the services we provide.

The Company owns all information collected on this website.

Processed Personal Data

The processed personal data includes your email address, name, and surname provided with your explicit consent when creating a membership. Additionally, if you contact us to make a request or complaint, we may process your name, surname, contact information, and other data depending on the nature of your request. If we need to

collaborate with you, we may process your name, surname, contact information, and other data depending on the nature of the collaboration. Furthermore, the cookies you allow through your browser settings and notification area when you visit our website are also processed.

Recipients and Purposes of Transferring Personal Data

During the sharing of your personal data, compliance with the regulations set forth in Articles 8 and 9 of the KVKK is ensured, and all necessary technical and administrative measures are taken to ensure data security during and after the sharing process.

Your personal data may be shared with our business partners, third-party service providers, and public authorities when necessary to fulfill the Company's legal obligations and within the scope of the above-mentioned purposes. These parties will specifically include:

- Our business partners
- The information technology suppliers we work with
- Authorized public institutions in accordance with the relevant legislation

Under the Law on Regulating Publications on the Internet and Combating Crimes Committed through Such Publications (Law No. 5651), personal data may be collected regarding the situations where the Company is a host provider. Additionally, if the Company becomes aware of any violations of existing laws or suspects activities that may disturb public order or involve crimes or activities contrary to moral values, it may immediately contact the relevant judicial and/or administrative authorities and share the information and personal data requested by these authorities for the investigation of such behavior.

The data collected based on your explicit consent is stored on servers located abroad for technical reasons. Moreover, our server service provider is also located abroad. Therefore, the collected data is transferred abroad only for the purposes and with the parties mentioned above.

Personal data transfer not covered by the purposes mentioned above will not be carried out without the explicit consent of the data subject.

Method and Legal Basis of Collecting Personal Data

Your personal data, which we process for the purposes stated above, may be collected electronically when you benefit from our services or through other methods depending on the communication channel you prefer when contacting us.

Rights of the Data Subject

As the data subject, you have the right to apply to us to exercise the following rights regarding your personal data:

- To learn whether your personal data is being processed
- To request information if your personal data has been processed
- To learn the purpose of the processing of personal data and whether they are used in accordance with their purpose
- To know the third parties to whom your personal data has been transferred at home or abroad
- To request the rectification of your personal data if it is incomplete or inaccurately processed
- To request the erasure or destruction of your personal data within the framework of the conditions set forth in Article 7 of the KVKK
- To request notification of the actions taken in accordance with Article 7 of the KVKK to third parties to whom your personal data has been transferred
- To object to the occurrence of a result against you due to the analysis of your personal data solely through automated systems
- To request compensation for the damages you have suffered due to the unlawful processing of your personal data

You can submit your requests regarding your rights and the implementation of the KVKK in writing or through other methods determined by the Personal Data Protection Authority. The Company will respond to these requests as soon as possible and no later than thirty days, free of charge, depending on the nature of the request. However, if the process requires an additional cost, a fee may be charged according to the tariff determined by the Personal Data Protection Authority.

Storage Period of Personal Data

The Company will keep the personal data provided by the data subject for the duration required by the processing purposes stated above. Additionally, in the event of any dispute with the data subject, the Company may keep personal data for a limited period and in accordance with the statute of limitations periods determined by the relevant

legislation, solely for the purpose of conducting the necessary defenses related to the dispute.

Changes to the Information Text

The Company may update and change the provisions of this information text if any changes occur in the processed data.
